The Crown Companies, LLC and Princeton Management, LLC have jointly developed Cambridge Village, a mixed-use development at the intersection of Hwy #150 and Ervin Road, in Mooresville, North Carolina. Hwy #150 is Lake Norman's primary east-west thoroughfare with over 40,000 vehicles per day traveling this major corridor. Cambridge Village is approximately 1 mile west of the Hwy #150/I-77 interchange. This regional location does not diminish the fact that the property is also conveniently located for many Mooresville and Lake Norman citizens. The primary entrance for Cambridge Village is directly across the street from Morrison Plantation, Mooresville's largest residential and commercial development. Retail, restaurant, office, and residential uses will locate on this property, providing an exclusive mix in this unique lifestyle centered development.
